SAFETY POLICY

The health and safety of our people is of the highest priority and cannot be compromised. Our objective is a workplace free of incidents and injuries. To achieve this we must all ensure our own safety band that of own fellow workers through an absolute commitment to safe work practices and healthy work environment. To deliver on our commitment we will

Communicate safety policy and procedure to all employees and other stakeholders as appropriate to ensure they are aware of their obligations with respect to our operations.

Comply with all applicable health and safety laws, regulations and statutory obligations.,

Integrate safety management system into our business activities.,

Ensure that health and safety management and practices are incorporated into all aspects of our operations.

Maintain and monitor health and safety performance indicators.,

Set measurable targets and seek to antiquely improve the health and safely performance.,

Periodically review and revise our health and safety policy and procedures to maintain their relevance.
